## TAP 2024: A Vibrant Hub for Knowledge Exchange

TAP 2024 will bring together a diverse group of experts from academia, industry, and government to explore the latest trends and challenges in technology assessment and forecasting. Through a series of keynote speeches, panel discussions, and interactive workshops, attendees will delve into critical topics such as:

- Emerging technologies and their societal implications
- Methods and tools for technology forecasting and assessment
- Technology policy and governance
- Sustainability and technology
- Innovation and technology management

### **STAF 2024: A Symphony of Science, Technology, and Arts**

TAP 2024 is uniquely positioned within the broader STAF 2024 festival, which celebrates the intersection of science, technology, and arts. This unparalleled convergence of disciplines will foster cross-disciplinary collaborations and spark innovative ideas that transcend traditional boundaries.

STAF 2024 will feature a captivating array of events, including exhibitions, performances, workshops, and installations, all designed to inspire, engage, and challenge our understanding of the world around us. By attending TAP 2024 within the context of STAF 2024, participants will gain a holistic perspective on the transformative power of technology and its impact on society.

### **Bergen: A Gateway to Innovation and Inspiration**

The vibrant city of Bergen, Norway, provides an enchanting backdrop for TAP 2024. Known for its picturesque harbor, charming architecture, and thriving cultural scene, Bergen is a hub of innovation and inspiration. Participants will have ample opportunities to explore this beautiful city and engage with its welcoming community.

## Call for Papers and Participation

TAP 2024 invites researchers, practitioners, and policymakers to submit their original research papers and proposals for panel sessions and workshops. The deadline for submissions is March 15th, 2024. For more information on the submission process and conference details, please visit the official conference website.

The 14th International Conference on Technology Assessment and Forecasting (TAP 2024) promises to be an unforgettable event that will shape the future of technology assessment and forecasting. Held as an integral part of STAF 2024 Bergen, Norway, TAP 2024 will provide a unique opportunity for attendees to engage in cutting-edge discussions, forge new connections, and contribute to the advancement of technology and society. Mark your calendars for June 17th to 20th, 2024, and join us in Bergen for an extraordinary exploration of the transformative power of technology.
