Papers should be submitted in the EAI LaTeX template and should not exceed 8 pages in length. All papers will be peer-reviewed by at least three members of the program committee.

Registration

Registration for the conference will open on August 15, 2024. The registration fee will include access to all conference sessions, materials, and coffee breaks. A limited number of scholarships are available for students and researchers from developing countries.

Contact Information

For more information, please contact the conference organizers at eai-sesc2024@eai.eu.

Keynote Speakers

The following keynote speakers have been confirmed for EAI-SESC 2024:

- **Dr. Carlos Cordeiro**, University of Minho, Portugal
- **Dr. Maria Manuel Cruz-Correia**, University of Porto, Portugal
- **Dr. Antonio F. Skarmeta**, University of Chile, Chile

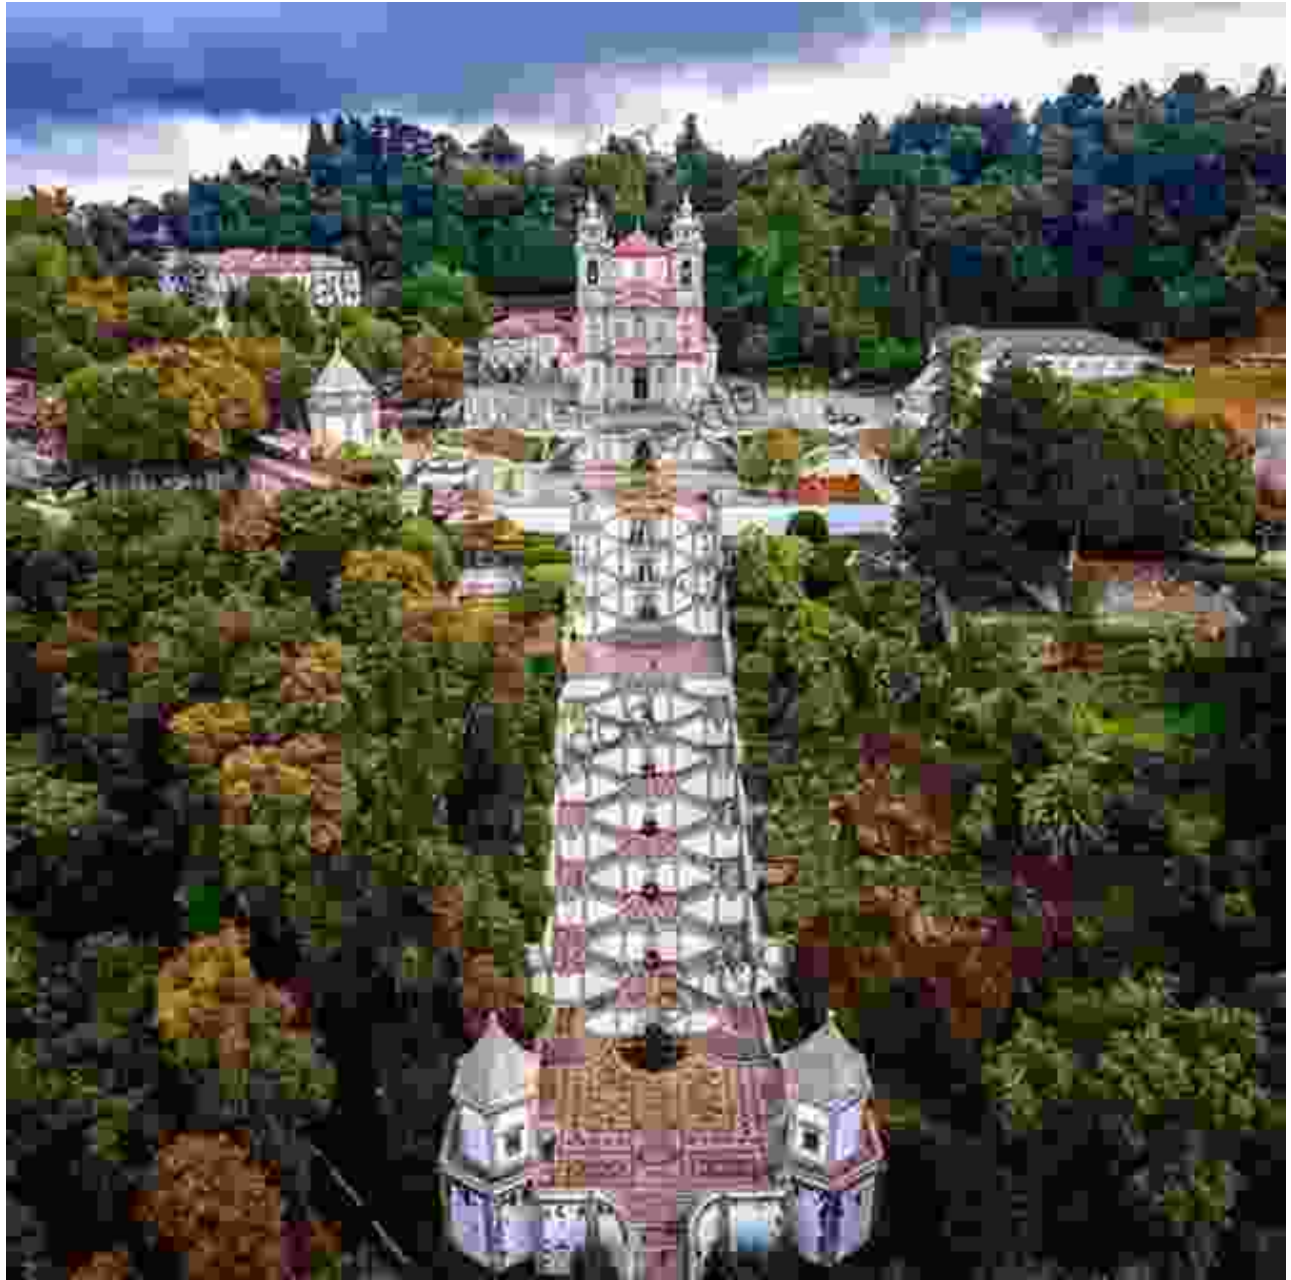

Conference Venue

The conference will be held at the University of Minho in Braga, Portugal. The campus is located in the city center, and it is easily accessible by public transportation. A variety of hotels and restaurants are located within walking distance of the campus.

About Braga

Braga is a city in the north of Portugal, known for its rich history and culture. The city is home to a number of historical landmarks, including the Braga Cathedral, the Bom Jesus do Monte Sanctuary, and the Guimarães Castle. Braga is also a major center of education, with a number of universities and colleges located in the city.

The 1st EAI International Conference on Smart and Emerging Applications in ICT (EAI-SESC 2024) will be a major event for researchers, practitioners, and policymakers working in the field of smart and emerging technologies. The conference will provide a forum for the exchange of ideas and the latest research findings, and it will help to foster collaboration

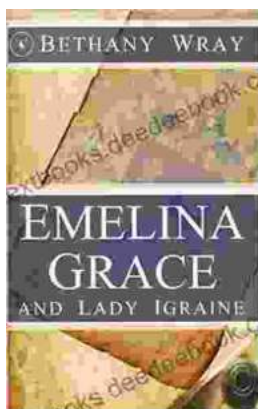

between academia and industry. We look forward to welcoming you to Braga in December 2024!
