

# 26th International Conference Iconip 2024 Sydney Nsw Australia December 12 15

The 26th International Conference on Artificial Neural Networks (ICONIP 2024) will be held in Sydney, NSW, Australia from December 12-15, 2024. The conference will bring together leading researchers and practitioners in the field of artificial neural networks to share their latest findings and insights.

## Neural Information Processing: 26th International Conference, ICONIP 2024, Sydney, NSW, Australia, December 12–15, 2024, Proceedings, Part III (Lecture Notes in Computer Science Book 11955)

ICONIP is a premier international conference on artificial neural networks. The conference is held annually in a different location around the world. ICONIP 2024 will be the first time the conference has been held in Australia.

The conference will feature a variety of keynote speakers, invited speakers, and contributed papers. The keynote speakers will be leading researchers in the field of artificial neural networks. The invited speakers will be experts in specific areas of artificial neural networks. The contributed papers will be selected from a pool of submissions from researchers around the world.

In addition to the keynote and invited speakers, ICONIP 2024 will also feature a number of workshops and tutorials. The workshops will be led by experts in the field of artificial neural networks. The tutorials will provide an to the latest advances in artificial neural networks.

ICONIP 2024 is an important event for researchers and practitioners in the field of artificial neural networks. The conference will provide a forum for the exchange of ideas and the latest advances in the field.

## **Conference Topics**

The topics covered at ICONIP 2024 will include, but are not limited to:

- Artificial neural networks
- Machine learning
- Deep learning
- Computer vision
- Natural language processing
- Robotics
- Artificial intelligence

## **Important Dates**

The important dates for ICONIP 2024 are as follows:

- Submission deadline: March 15, 2024
- Notification of acceptance: June 15, 2024
- Camera-ready deadline: September 15, 2024
- Conference dates: December 12-15, 2024

### **Submission Guidelines**

Submissions to ICONIP 2024 should be original, unpublished work. Submissions should be no more than 8 pages in length. Submissions should be formatted according to the IEEE conference template.

Submissions should be submitted electronically via the conference website.

### **Registration**

Registration for ICONIP 2024 will open in June 2024. The registration fee will include access to all conference sessions, workshops, and tutorials.

### **Accommodation**

A block of rooms has been reserved at a discounted rate for conference attendees at the following hotels:

- The Westin Sydney
- The Hilton Sydney
- The Sheraton Grand Sydney Hyde Park

To book a room at the discounted rate, please visit the conference website.

## Transportation

Sydney is a major international city with excellent transportation links. The city is served by Sydney Airport (SYD). The airport is located about 8 kilometers from the city center. There are a number of public transportation options available to get from the airport to the city center, including trains, buses, and taxis.

## Things to Do in Sydney

Sydney is a vibrant city with a lot to offer visitors. The city is home to a number of world-famous attractions, including the Sydney Opera House, the Harbour Bridge, and Bondi Beach. Sydney also has a number of museums, art galleries, and theaters. There are also a number of parks and gardens in the city, including the Royal Botanic Garden and Centennial Park.

The 26th International Conference on Artificial Neural Networks (ICONIP 2024) will be a major event for researchers and practitioners in the field of artificial neural networks. The conference will provide a forum for the exchange of ideas and the latest advances in the field. We encourage you to submit your work to ICONIP 2024 and to attend the conference in Sydney.
