## Contents

The Attack of the Necron Warped Galaxies expansion includes the following contents:

- A 120-page hardcover codex: This codex provides background information on the Szarekhan Dynasty, as well as rules for using them in Warhammer 40,000 games. It also includes new units, wargear, and psychic powers.
- 10 new plastic miniatures: These miniatures represent the new units introduced in the codex, including the Chronomancer, the Lokhust Heavy Destroyer, and the Tesseract Vault.
- A set of dice: These dice are themed after the Szarekhan Dynasty and feature the dynasty's symbol.
- A set of datacards: These datacards provide quick reference information for the new units and wargear introduced in the codex.

## **Gameplay**

The Szarekhan Dynasty is a powerful new army that can be played in a variety of ways. The dynasty's unique rules and abilities make it a good choice for players who want to control the battlefield with overwhelming firepower or who want to use psychic powers to outmaneuver their opponents.

The new units introduced in the codex give the Szarekhan Dynasty a number of new options. The Chronomancer is a powerful psyker who can manipulate time, while the Lokhust Heavy Destroyer is a devastating anti-tank weapon. The Tesseract Vault is a mysterious artifact that can be used to teleport units across the battlefield.

The Attack of the Necron Warped Galaxies expansion also includes a number of new scenarios that can be used to play games with the

Szarekhan Dynasty. These scenarios provide a variety of challenges, from fighting off an invasion of Tyranids to defending a tomb world from the forces of Chaos.
