

From Theodore Roosevelt to Donald Trump: A Look Back at the Last 100 Years of American Presidents

The office of the President of the United States is one of the most powerful and influential positions in the world. The person who holds this office has the ability to shape the course of history, both at home and abroad. In the past 100 years, the United States has seen a wide range of presidents, from the progressive Theodore Roosevelt to the conservative Donald Trump. Each of these presidents has left their own unique mark on the office and on the country as a whole.
