* Ventilators * Monitors * Infusion pumps * Syringe pumps * Central line access * Arterial line access * Nasogastric tubes * Chest tubes * Tracheostomies

We provide a wide range of services to our patients, including:

* Mechanical ventilation * Respiratory support * Cardiovascular support * Renal support * Nutritional support * Pain management * Sedation * Palliative care

We also offer a variety of specialized services, such as:

* ECMO (extracorporeal membrane oxygenation) * CRRT (continuous renal replacement therapy) * Neurocritical care * Trauma care * Burn care

Our team of physicians is board-certified in pediatric critical care medicine and has extensive experience in caring for critically ill children. Our nurses are specially trained in pediatric critical care nursing and are committed to providing compassionate and supportive care to our patients and their families.

Our respiratory therapists are certified in pediatric critical care respiratory therapy and are experts in providing respiratory support to critically ill children.

We understand that the experience of having a child in the PICU can be stressful and overwhelming for families. We are committed to providing support and resources to families throughout their child's stay.

We offer a variety of family-centered services, such as:

* Family support groups * Sibling support groups * Bereavement support * Educational materials * Financial assistance

We also have a dedicated family lounge where families can relax and spend time together.

We are committed to providing the highest quality of care to our patients and their families. We are proud to be a part of the Fuhrman Zimmerman Pediatric Hospital, which is consistently ranked among the best children's hospitals in the nation.

If your child is critically ill, we encourage you to contact us. We are here to provide the best possible care for your child.

Our Mission

The mission of Fuhrman Zimmerman Pediatric Critical Care is to provide the highest quality of care to critically ill children and their families. We are committed to providing compassionate and supportive care in a family-centered environment.

Our Vision

We envision a future where all critically ill children have access to the best possible care. We are committed to advancing the field of pediatric critical care medicine through research and innovation.

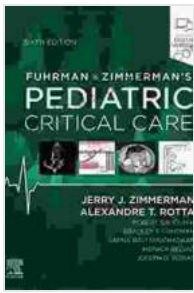

Our Values

* Compassion * Excellence * Teamwork * Respect * Integrity
