## The Bookkeeper

*I'm the bookkeeper, the keeper of books, I keep track of them all, the nooks and the crooks. I know where they are, each and every one, From the fiction to the non, from the new to the done.*

*I'm the one who keeps the library in line, I make sure the books are all neat and fine. I help the students find the books they need, And I always have a book to read.*
